Sponsorship Registration Closes

by May 28th at 8pm

- You are cordially invited to the 2024 Community Project Showcase. It's the last meeting for our 2023-2024 chapter program, so we're ending it with a variety of presentations and projects that are sure to delight you.
- The presentation recognizes, honors, and publicizes project teams, organizations, and their companies for superior performance and execution of exemplary project management and community engagement.
- Please join us either on-site or virtually to see the various and diverse presentation submittals from our chapter's community organizations.

Our Vision:

To be the leader in the region for advancing project management and providing the opportunity for individuals and organizations to be more successful.
